Description

This Hydra-Sports is an excellent example of the Vector 3300 Center Console. This Vector 33 CC has all of the right options for cruising, fishing and enjoying our beautiful waters. She is large enough for extended cruising to the Florida Keys and Dry Tortugas as well as the Bahamas, yet small enough to take out for an impromptu sunset cruise.

This Vector 33 CC is a one owner vessel that is lift kept and professionally cared for in Naples. The triple Yamaha 225s comfortably and efficiently cruise at 38 MPH while giving you the ability to reach 50 MPH if the need arises. She is rigged for the serious fisherperson, yet features such as stern seating and bow lounge and seating make her the perfect platform for cruising and entertaining. The Deep V stepped hull reinforced with Kevlar allows this 33 CC to run comfortably in conditions that keep others at the dock.

Broker's Comments

This is the absolute best deal on a 3300 Vector Center Console in the Country. The engines are original, but low hours. The Electronics are new. The upholstery could use updating, but at this asking price, you'll have plenty to make perfect.

We have set an aggressive price for a timely sale. She will not last long. Call today for an appointment.
