## Description

“Bonita” is a beautiful example of Silverton’s ever popular 430 Motor Yacht. The Silverton 430 is low profile enough to make the Loop (17’0” Arch Height) and is so spacious with copious storage, that many would consider living aboard permanently. “Bonita” is in excellent condition for her vintage and could easily pass for a much newer vessel. The gel coat surfaces are scuff and scratch free and are polished to a high gloss. This 430 MY is owned by a very knowledgeable yachtsman that has spared no expense in maintaining “Bonita” in excellent condition both mechanically as well as cosmetically. The 430 MY is extremely spacious considering her size. This vessel is comfortable, spacious and well laid out for short day trips, or long-range cruising. “Bonita” is extremely well equipped and seriously offered for sale. We have set an aggressive asking price and it will very likely sell quickly. Engines and Generator are up to date on all services including Cooling systems. The tender (10’ Ridged w/ 15 HP Suzuki) and davit lifting system is not included but is available for purchase.

Notable Options: Volvo TAMD 74 480 HP Diesel Engines, Generator, Reverse Cycle Marine Air-Conditioning, Windlass, Bow Thruster, Spare Parts, Tide Ride Ladder, Bridge & Aft Deck Enclosures.- New
