Description

2000 Tiara 31' Open "AQUAVIT"

PRICE CHANGE!

The Tiara 3100 Open was the most popular Tiara ever built with over 1200 being produced before production ended with the 2004 model year. The 31 has reached Yacht Icon status and will be sought after many years from now much like classic cars today with the Limited Editions being even more desirable.

This 2000 Tiara 31 Open is a super versatile vessel and can be used in a variety of ways. The 31 excels at day trips and is large enough to be used for extended cruises for up to 4 adults. The Tiara 31 also can be used as a serious fishing machine or as a multipurpose vessel; fishing one day and cruising the next. I suspect that its versatility, quality and functionality all attribute to its popularity.

Performance

Transmissions

- Manufacturer: Z F
- Model: 220A
- Gear Ratio: 1.533:1

Propellers

- Manufacturer: Federal
- Model: H.X. 300
- Size: 21 x 25
- Cup: # 3
- Material: Nibral

Generator

- Manufacturer: Westerbeke
- Model: 5.0 kW
- Hours: 759 Original Hours

Accommodations

While this 2000 Tiara 31 Open was primarily designed for a cruising couple, up to 4 adults can be accommodated. The Master Berth is forward with a hull-side double berth (a.k.a. Offset Queen) and the Dinette, which can accommodate 4 adults for a meal, converts into a double berth as well in just a few minutes.

The Galley is more than ample for a vessel of this size and has all of the accoutrements to prepare just about any meal.

Exclusions

Owners Personal Gear, Includes: tools, clothing, personal glassware and utensils and non vessel related equipment. The vessel will be sold with lines, fenders, life jackets, flare kit, medical kit and Tiara related original equipment. Please ask for details upon viewing the vessel.

Broker's Comments

“Aquavit” is a very nice example of a 31 Tiara Open with the desirable Caterpillar diesels and Generator. Located at the Naples Boat Club. “Aquavit” is offered at a great asking price and won't last long.

In the model year 2000, Tiara changed their gel-coat color from a cream / tan white to a more bright white. The helm seat module was also updated for more comfortable seating and better access to storage. The galley cabinets and drawers were also changed from Formica to Wood Finish.

Disclaimer

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.
