Length:	28 ft	Boat Location:	Marco Island, Florida, United States		
Price:	US\$139,500	Heads:	1		
Condition:	Used	Fuel Type:	Diesel		

Description

This Cutwater is a nice example of one of Cutwater's most popular models ever produced. The Cutwater 28 with single inboard 260 hp Volvo diesel is efficient and stable. The Cutwater 28 has an unusual hull design which is a modified-V that is stepped with single centerline propeller pocket that is protected by a keel. This makes for a stable, straight tracking and efficient vessel that is trailerable (This vessel does not include a trailer). While single inboard vessels can be a handful around the dock, this 28 has the optional bow and stern thruster, which makes docking a breeze in most any situation.

The Cutwater 28 is a true pocket yacht. It is arguably the most capable 28' vessel in existence. With accommodations for 6 adults, large galley w/ oven, generator, air-conditioned interior helm station and large cockpit with exterior helm station, long range cruising is possible in a small package.

Information & Features

2014 Volvo D4 (Engine 1)

Type:	Inboard
Fuel Type:	Diesel
Power:	260 hp

Dimensions

LOA:	28 ft 4 in	Min Draft:	2 ft 4 in
LWL:	32 ft 4 in		
Beam:	8 ft 6 in		

Weights

Dry Weight:	8,000 lb
-------------	-----------------

Speed

Cruising Speed:	15 kn
Max Speed:	22 kn
Range:	150 nmi

Tanks

Fuel: **1 x 100 gal**

Fresh Water: **1 x 40 gal**

Holding: **1 x 30 gal**
