Description

1995 Blackfin 33' Combi

The Blackfin 33 Combi was designed as deep V, rough water, hardcore fishing machine. Built on a solid glass hull with 22 degrees of deadrise in the stern, the 33 Combi has a well-earned reputation of being a great head sea boat. The 33 Combi has a large helm deck with comfortable well-designed seating and a large open cockpit designed specifically for sport fishing. With a 12' beam, the cabin is comfortable and well appointed for a vessel of this size. She can easily accommodate 4 adults for weekend trips or longer. This Blackfin 33 has been updated with new electronics, new interior appointments, new wiring, new fuel tank, plus much more. Do not let this opportunity pass you by.
